**HOBIE WAVETILL SEPT 25 , 2013 (Only in Edmonton ) WHILE QUANTITIES LAST**The Hobie Wave is an easy-to-sail, easy-to-rig speedster that will quickly have you smiling.

The Wave's underbody shape eliminates the need for daggerboards, and its rotomolded polyethylene hulls are virtually indestructible, making it ideal for beginners and adventurers alike.

A large, fully battened, boomless mainsail provides plenty of power in the light stuff, but twists off in a breeze for added control. And should your rig go horizontal, the "Hobie Bob" mast float makes righting the boat simple and safe. Enjoyed solo or with crew members.

## BYTE SPECIAL

TILL FEB15, 2014 ( **Only in Edmonton**)

The Byte is one man sailing dinghy. It is produced by PS2000 in North America. It is 12 ft (3.7 m) long, 4 ft 3 in (1.3 m) wide and roughly 100 lb (45 kg). The hull is composed of glass reinforced polyester and foam sandwich. The Byte is designed for sailors weighing 120 to 145 lb (54 to 66 kg) although most sailors weighing 90 to 160 lb (41 to 73 kg) should have no problems sailing this boat on a recreational basis.
